

Executive Health Check Up RS PURI INDAH

PREVENTING IS BETTER THAN CURING

Don't wait till it is too late. At RS Puri Indah we have medical technologies to detect the early signs of life threatening or debilitating diseases, so that appropriate action could be taken to prevent these diseases from occurring.

Stay healthy, stay wise. Come to RS Puri Indah. Our team of healthcare professionals are ready to help you to enjoy a long and healthy life.

PREPARATIONS

- (Please) DO NOT EAT after 10.00 pm the night before the appointment date. Only sips of plain water is allowed.
- Postpone taking any morning medication, unless advised by your physician, until your screening done.
- Your stool and urine specimen will be collected in the morning of your appointment. We will provide the containers.
- Please bring along your previous medical records, if any, especially X-rays from the last check-up for comparison.
- As we will be testing your vision, please remember to bring along your glasses for distant vision.
- Pap's Smear and Medical Check Up for women should best be done 7 days after the last day of your menstruation.
- To help us to serve you better, we would appreciate if you follow your appointment schedule.

We provide a wide range of check-up packages to suit your needs:

1. **TITANIUM**
2. **PLATINUM**
3. **GOLD**
4. **SILVER**
5. **FIT**

Those preventive packages take about 2.5 - 4.5 hours to complete and results are provided immediately via private consultation with a doctor and nutritionist at the same day in one location.

We are also able to customise health check up packages on behalf of corporate clients for their employees.
